

# Green Gable Explorer Camp 2026

## June 15th - August 21st

### Camp Kickoff & Summer Celebration!

*June 15th - June 26th*

Join us in kicking off summer as we get to know each other with icebreaker games, nature hikes, & a ride on Sunshine the horse! We're off to new adventures as we explore together and focus on summer fun, fun, fun!

### Ultimate Sports Challenge

*June 29th - July 10th*

Let's learn about getting our bodies moving this session with a variety of sports and great ways to stay active. We'll play basketball, soccer, foursquare, and disc golf. Join us for glowstick bowling, Minute to Win It, an obstacle course, and hiking. Above all we will practice good sportsmanship, collaboration, and learning to be a true team player. Let's celebrate summer with a friendly outdoor competition to practice our new moves!

### Super Sleuths & Secret Spies!

*July 13th - July 24th*

We need your help to solve a mystery! Play super sleuth as we problem solve spy codes and create our own detective gadgets. We'll go on a scavenger hunt for hidden clues. Suspense will be high as campers learn to think like a secret agent. We'll search for clues by dusting for fingerprints, experiment with invisible ink, and create case files. Join us as we practice our new skills in a wizarding escape room at the end of this creative problem-solving session.

### Explosive Science!

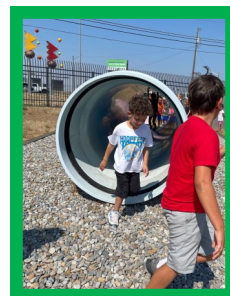

*July 27th - August 7th*

Get ready for fizz, pop, and WOW! Campers will have their imagination and creativity sparked as we incorporate innovations from the National Inventors Hall of Fame. We'll study the science behind flatulence, build a volcano, see if we can find a way to make milk dance, and make and compare slime recipes. We'll get wild about the water cycle as we perform experiments to determine will it sink or will it float?

### STEM Science Explorers

*August 10th - August 21st*

Everything is awesome in our engineering builders camp, inspired by the National Inventors Hall of Fame. We'll create rollercoasters and test our skill, we'll build toothpick bridges, experiment with balloon rockets, create a catapult and measure how far objects launch, and even design a wildlife habitat. Campers will join in multiple building challenges, testing their creativity and understanding of physics. Campers will collaborate in a very fun, low pressure environment to earn the title of Master Builder!

Join us for a summer filled with laughter, friends, and adventure! We'll explore the outdoors, make scientific and engineering discoveries, enjoy field trips, special guests, and make learning fun!

"Everything good,  
everything magical  
happens between the months  
of June & August"

~Jenny Han

# Summer Registration Form 2026

Name of Child: \_\_\_\_\_ Date of Birth: \_\_\_/\_\_\_/\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_ Zip: \_\_\_\_\_

Grade Entering in Fall '26: \_\_\_\_\_ School: \_\_\_\_\_

Name of Parent/Guardian:

First Name: \_\_\_\_\_ Telephone: \_\_\_\_\_

Last Name: \_\_\_\_\_ Email: \_\_\_\_\_

My child **WILL** attend the following sessions — **with a 3 session minimum:**

(initial each session you're enrolling)

**Summer Camp Sessions - \$700/Session**

**Camp Kickoff &  
Summer Celebration!**

June 15th - June 26th

Session 1 \_\_\_\_\_

(initial here)

**Ultimate Sports  
Challenge**

June 29th - July 10th

Session 2 \_\_\_\_\_

(initial here)

**Super Sleuths & Secret  
Spies!**

July 13th - July 24th

Session 3 \_\_\_\_\_

(initial here)

**Explosive Science!**

July 27th - August 7th

Session 4 \_\_\_\_\_

(initial here)

**STEM Science Explorers**

August 10th - August 21st

Session 5 \_\_\_\_\_

(initial here)

I understand that for children **not currently attending**, a non-refundable \$300 registration/materials fee, per child, must accompany this form to hold their space.

I understand that for children **currently attending**, the registration portion of this fee is waived, however, the non-refundable \$150 materials fee, per child, still applies to hold their space. It will be automatically added to the April statement.

I am aware that I am responsible for payment of fees for each session that I have initialed above.
